

Differences that matter.

International Intellectual Property Library

The International Intellectual Property Library on Westlaw® is designed for the global scope of today's intellectual property law practice. It provides information from Sweet & Maxwell and ELLIS Publications and includes legislation, case law, administrative materials, legal periodicals, analysis and news from the European Union and the United Kingdom.

Legislative and administrative resources to simplify your research

- The United Kingdom's intellectual property statutes from 1267 to the present and statutory instruments from 1948 to the present
- European Union (E.U.) and European Community regulations, directives and other legal documents from the Official Journal L Series, including international agreements and secondary and supplementary legislation, beginning in 1952

Case law with finding aids and annotations to save you time

- Patent decisions, judgments and orders of the United Kingdom Patent Office and U.K. courts and selected cases from courts outside Europe since 1977
- Patent cases from the European Patent Office and its Board of Appeal since 1979
- Trademark cases from the European Court of Justice, the European Court of First Instance, the Office of Harmonization in the Internal Market and domestic courts of E.U. member states since 1996
- Entertainment and media law decisions of the European Court of Justice, the European Court of First Instance and domestic courts of E.U. member states since 1992
- *Fleet Street Reports*, the prime updating source for more than 30 years, with coverage of major intellectual property cases from U.K. courts, the European Court of Justice and tribunals or boards dealing with intellectual property since 1966, including headnotes, summaries, the courts' findings, names of counsel and instructing solicitors, a list of cited cases and other features

- Sweet & Maxwell's case law locator system for significant U.K. intellectual property cases from 1891 to the present, featuring case summaries and citing references

Up-to-the-minute online news and legal journals to keep you current

- U.K. and E.U. intellectual property news, updated three times every working day, with abstracts and indexes of proposed and newly enacted legislation and regulations, new judicial and administrative decisions, selected practice directions, government papers and articles selected from 450-plus legal journals

- Full text of:

European Intellectual Property Review – authored by leading intellectual property practitioners around the world, who offer monthly news, in-depth analysis, commentary, case comments, book reviews, legislation and proposals; coverage from 1986

Computer and Telecommunications Law Review – news of significant cases, legislation, regulation and new technology, and discussions of current issues by an international network of correspondents; eight issues annually, coverage from 1995

Entertainment Law Review – emphasis on practical implications of recent legal developments and the effects of new technology on artists, rights owners and collecting societies; eight issues annually, coverage from 1990

Intellectual Property Quarterly – the leading academic journal for the field, edited by Professor John N. Adams, who chairs the British Literary and Artistic Copyright Association; quarterly issues from 1997

Do all your IP research – international and U.S. – on Westlaw

The International Intellectual Property Library complements the Intellectual Property Primary Law Library and the Intellectual Property Analytical Law Library, which cover primary U.S. intellectual property law and records. All of these resources provide broad, integrated coverage of this field of law, plus the ease and speed of Westlaw research.
