## **BRINGING YOU THE BEST OF BOTH**

WESTLAW UK AND WESTLAW INTERNATIONAL  
WORKING TOGETHER

## WESTLAW UK: LEGAL RESEARCH MEETS INTELLIGENT TECHNOLOGY

Westlaw UK is a comprehensive and intuitive online research service. The information below gives you a glimpse into some of the unique features and functionality that Westlaw UK has to offer to help you make the difference.

### WESTLAW UK COVERAGE

Build stronger arguments with access to the following:

- Case law from some of the UK's most renowned reporting series including The Weekly Law Reports and Sweet & Maxwell Law Report Series
- Consolidated legislation dating back to 1220 for Acts and 1948 for SIs. Historical and prospective versions let you search for and see how legislation looked in the past, and how it will look in the future
- Analytical commentary from the entire Common Law Library and a range of market-leading books and looseleaves including Redfern & Hunter and EC Merger Control
- Set up alerts and save your research in easy to manage folders within the service
- Over 100 journals and access to abstracts of every article in every English language legal journal in Europe via the Legal Journals Index
- National, regional and international news and business updates
- Current awareness updated every 15 minutes
- Easy-to-use and intuitive search functionality
- Intranet solutions for customised knowledge management systems

### EU MATERIAL

Based on EUR-Lex, these daily updated collections offer fully cross-referenced access to:

- Treaties and international agreements
- Legislation, information and notices as published in the Official Journal L & C Series
- All cases before the ECJ and CFI
- National measures implementing EU directives from all Member States
- Preparatory documents - Commission proposals, legislative resolutions, opinions and Council common positions
- Parliamentary Questions as published in the Official Journal Treaties between Member States dating back to 1951

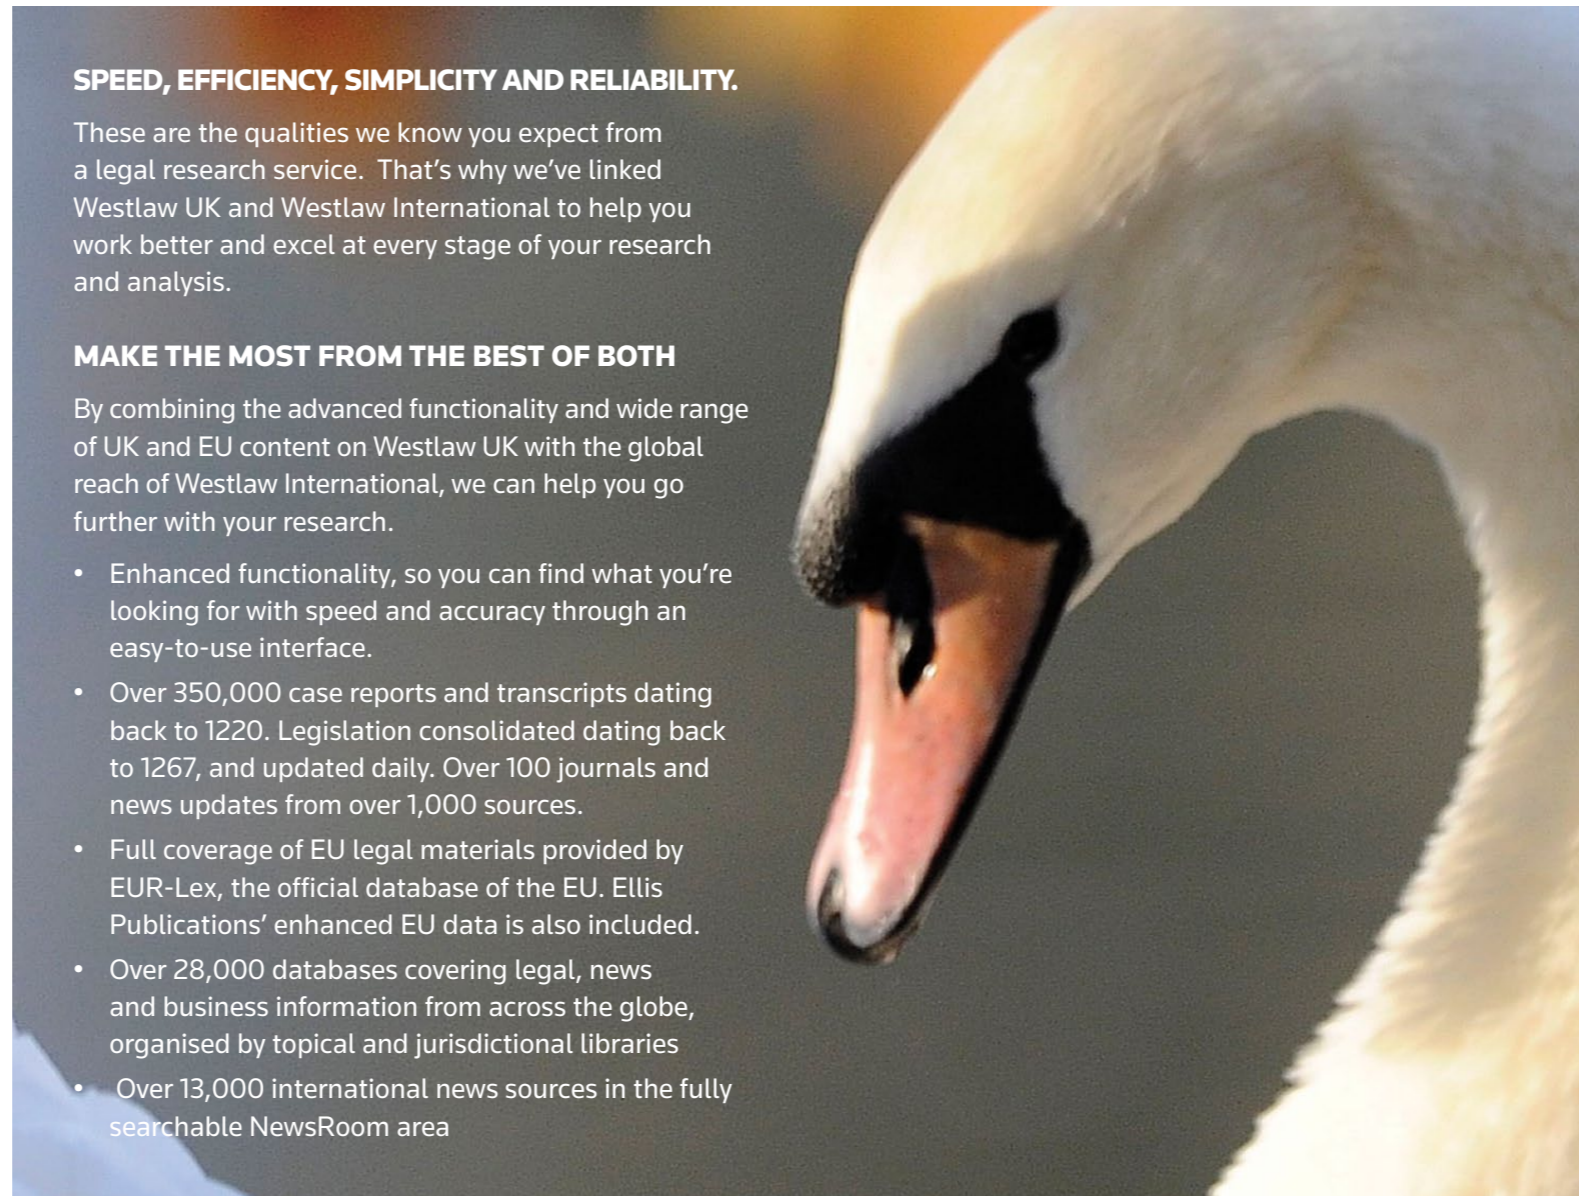

### SPEED, EFFICIENCY, SIMPLICITY AND RELIABILITY.

These are the qualities we know you expect from a legal research service. That's why we've linked Westlaw UK and Westlaw International to help you work better and excel at every stage of your research and analysis.

### MAKE THE MOST FROM THE BEST OF BOTH

By combining the advanced functionality and wide range of UK and EU content on Westlaw UK with the global reach of Westlaw International, we can help you go further with your research.

- Enhanced functionality, so you can find what you're looking for with speed and accuracy through an easy-to-use interface.
- Over 350,000 case reports and transcripts dating back to 1220. Legislation consolidated dating back to 1267, and updated daily. Over 100 journals and news updates from over 1,000 sources.
- Full coverage of EU legal materials provided by EUR-Lex, the official database of the EU. Ellis Publications' enhanced EU data is also included.
- Over 28,000 databases covering legal, news and business information from across the globe, organised by topical and jurisdictional libraries
- Over 13,000 international news sources in the fully searchable NewsRoom area
