With All Analytical you can quickly and easily review specific points of law in both familiar and unfamiliar practice areas. You have access to over 14 online titles and over 600 law journals enabling you to research, review and analyse points of law quickly and easily.

American Law Reports (ALR)

This superior collection of articles organises and evaluates all case law relevant to a specific point of law. By giving you both sides of an issue, ALR helps you anticipate your opponent's arguments.

American Jurisprudence, (Am Jur)

With encyclopaedic coverage of more than 400 topics, Am Jur® helps you gain a quick understanding of unfamiliar areas of law, allowing you to both offer authoritative answers to client questions and propose sound courses of action.

Corpus Juris Secundum® (C.J.S.®)

Coverage includes more than 400 alphabetically arranged legal topics:

- Civil and criminal
- Substantive and procedural
- State and federal

Restatement of the Law

Providing you with clear formulations of common law and its statutory elements or variations, Restatement of the Law reflects the law as it presently stands or

might plausibly be stated in a court. With discussion by nationally known scholars, you'll know exactly what the current status of the law is, and where it is likely to go in the future.

American Jurisprudence Pleading and Practice Forms Annotated

More than 36,500 forms covering every stage of state and federal litigation.

American Jurisprudence Proof of Facts

Winning case foundations and presentations with articles by experts well-known in their legal, medical, and scientific/technical fields add authoritative and decisive insights to the premise of your case.

American Jurisprudence Trials

Articles showcasing successful techniques and strategies in actual cases. Model Trial Articles cover the spectrum of personal injury, business, and criminal litigation.

Causes of Action

With articles on virtually every type of civil action, Causes of Action provides detailed legal analysis to assess whether your client has a case or a defence that will hold up in court.

Wright & Miller Federal Practice and Procedure®

The definitive treatise on practicing law in the federal courts.

West's® Federal Forms

Litigation-tested federal procedural forms, with accompanying commentary for use in civil and criminal litigation. Companion to the Wright & Miller treatise.

Federal Procedure

A topically driven practice guide to federal, civil, criminal, and administrative procedure.

Federal Procedural Forms

A compilation of practice-tested, up-to-date federal forms to accompany the Federal Procedure treatise.
