With case law, legislation, regulations, court rules, texts, law reviews, and other legal periodicals, as well as news and business information from Canada, Westlaw International offers you a comprehensive framework of Canadian Law.

Case law

With Westlaw International you have access to extensive Canadian Case Law coverage. Full-text case law and digested case summaries from the Canadian Abridgement can be found quickly and easily. With all the cases from the federal and provincial courts in all the jurisdictions of Canada as well as Canadian cases from different topics including criminal, insolvency, family, and many more.

Legislation

Westlaw International provides you with a complete framework of the law with all the federal, provincial, and territorial statutes currently in force in Canada, as well as recently enacted legislation not yet in force. These are classified either by province or by topic.

Regulatory materials

A complete database with both an English and French version of federal regulations currently in force in Canada from the Consolidated Regulations of Canada, including new and revised regulations from the Canada Gazette. There are also provincial regulations as well as specific regulations on Environmental, Health, and Safety Laws and Regulations.

See reverse for the content highlights. Your account manager can supply you with the complete, current list.

Canadian Court Rules

We provide you with the rules of procedure governing court proceedings on both a federal and provincial level.

Canadian Intellectual Property

With a series of databases dedicated only to Intellectual Property Law, Westlaw International provides you with all you need for trademarks and patents in Canada.

Canadian Legal Texts

Key texts from Canada provide you with what you need to put the law in practice and become familiar with unfamiliar areas of Canadian law.

Canadian Law Reviews and Other Legal Periodicals

Full-text articles from law review, bar journals, case law reporters, and other legal periodicals provide you with unmatched analysis allowing you to have a deeper understanding of the law.
