The US Intellectual Property library enables you to cross-reference federal court cases, orders and decisions, current public laws, archived public laws, trademark and patent examining procedures, international trade commission decisions and more.

Further, to help you put the law in context, you will have access to hundreds of law reviews, journal articles and news sources dealing with the subjects of patents, trademarks, copyrights, arts and entertainment and science and technology.

This comprehensive library also includes

- Authoritative West treatise, such as McCarthy on Trademarks and Unfair Competition and Patents Law Fundamentals, law reviews, journal articles and news
- IP-related topics from the Code of Federal Regulations, United States Code Annotated (USCA) and the Federal Register

See reverse for the content highlights. Your account manager can supply you with the complete, current list.
