Global Competition and Antitrust (GCA) brings together approximately 700 English-language databases of legislation, cases, news, analysis and commentary from the Americas, Europe and Asia-Pacific countries.

Global Competition and Antitrust - All

The GCA-ALL contains combined materials related to global competition and antitrust. These include cases, legislation, treaties, journals, and law reviews from Australia, Canada, China, European Union, Hong Kong, Singapore, United Kingdom, and United States.

European Global Competition and Antitrust

The EUGCA-CSLEG database contains global competition and antitrust cases and legislation from the European Union. It covers cases brought before the Court of Justice and the Court of First Instance, as well as texts of the Advocate-General's opinions, Orders of the Court and Judgments of the Courts. The legislation contains full text of legislative acts of the Council of the European Union, the European Parliament, and the European Commission reported in the Official Journal of the European Community, L Series, including international agreements; secondary legislation such as regulations and European Coal and Steel Community (ECSC) general decisions, directives, and recommendations; and supplementary legislation (legislation resulting from agreements between member states).

International Mergers – The Antitrust Process

Text from Rowley & Baker: International Mergers - The Antitrust Process provides a comprehensive treatise providing information and analysis on the rules and filing requirements pertaining to international mergers. Information on 60 jurisdictions is provided,

including the United States, the United Kingdom, the European Union and EU member states.

European Competition Law Review (ECLR)

The ECLR database contains substantive documents that have appeared in the European Competition Law Review. A document is an article, a note, a symposium contribution, or other materials published in this periodical. This publication analyses antitrust law in the United Kingdom as well as other major trading nations such as the United States and Japan. It also provides updates on recent cases and legislative developments affecting antitrust and competition law.

EC State Aids

EC State Aids, a comprehensive treatise, provides information and analysis on EC State Aids decisions. This renowned work provides detailed guidance on the European Community law and practice in this area.

Law Firm League Tables

Provided by Thomson Reuters Financial, Law Firm League Tables, available in PDF, provide you with information on corporate financing worldwide. Coverage starts from 2006.

Antitrust and Trade News

News and information about antitrust actions and trade regulation from newspapers, magazines, journals, newsletters, transcripts, and wires. Includes news about the Federal Trade Commission.
