Westlaw International provides a comprehensive European Union Library delivering the most up-to-date and easy-to-search legal documents from ELLIS Publications, a Thomson Reuters business. It includes European Union legislation, court decisions, regulatory materials, parliamentary measures, treaties, and other information.

Extensive EU coverage

Full-text content and tools include these European Union resources:

- Legislative acts and treaties of the Council of the European Union, European Parliament, and European Commission, as reported in the Official Journal of the European Community L Series
- Draft legislation, including COM final documents, Parliament's legislative and budgetary initiatives, and opinions of the Economic and Social Committee and Committee of the Regions on legislative proposals
- Written questions from members of Parliament to the European Commission and Council and answers, as published in the Official Journal C Series valid up to 2004
- Decisions of the European Communities' Court of Justice and Court of First Instance decisions
- Caselaw Locator, which summarises important EU decisions, listing cited cases and legislation, and providing citations to cases, direct history, and negative indirect history
- Attorney-General opinions, court orders, and judgments reported by the Office of Official Publications and included in European Court Reports
- Court of Justice orders and judgments covered by the Official Journal C Series

- Treaties concluded between member states that constitute the legal framework of the European Communities, including founding, accession, and supplementary treaties
- Official Journal C Series with information, notices, and non-binding acts of the Council (resolutions, declarations, and communications); operative part of court judgments; texts of Commission proposals published daily; minutes of parliamentary meetings; Court of Auditors reports; competition notices for recruitment by EU institutions; public contracts for food aid and more

An efficient way to research

Researching in the European Union Library is quick and precise. You can search an individual database or search the entire library with a single query. One search can retrieve all citations, modifications, and court decisions related to a specific legislative provision. Hypertext links also let you move between databases, meaning your research is completely seamless.

See reverse for the content highlights. Your account manager can supply you with the complete, current list.
