With over 8,000 databases covering legal, news and business information from across the globe, the European Practitioner Library provides you with the know-how you've been searching for. You have access to a comprehensive compilation of easy-to-search commonwealth cases, world journals and law reviews from the United Kingdom, European Union, United States, Australia, Hong Kong and Canada.

#### International content

Full-text content and tools from around the world:

- United Kingdom case law from 1865, including the Law Reports and the Weekly Law Reports. United Kingdom Statutes from 1267 (fully consolidated)
- European Union cases from 1952, including the European Union OJ C Series and the Common Market law Reports. Comprehensive European Union legislation
- United States (Federal) from 1790 and United States Code (fully annotated)
- Hong Kong case law from 1905
- Australian case law from 1903
- Canadian case law from 1825 and Canadian Statutes

See reverse for the content highlights. Your account manager can supply you with the complete, current list.
